

Interested in joining our Award Winning Dance Team

Dance team requires time, effort, and dedication. It is a privilege to participate on the MRCA dance team and continued membership is based, not only on skill, but on dedication, commitment and team spirit. Evaluations from professional dancers and choreographers contribute to your dancer's growth. The competition experience also enhances your dancer's training by providing an opportunity to work with master teachers and professional choreographers.

An intensive and auditions
are being held on Aug. 22th – 26th.

If you are interested in participating on the dance team, please sign up at the front desk or email Brianna at brianna@mccoyrigby.com.
